

**LIMITED REVIEW REPORT**

Date

To  
The Board of Directors of  
**VIDEOCON INDUSTRIES LIMITED**

Dear Sir(s)

1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results of **VIDEOCON INDUSTRIES LIMITED** (the "Company") for the Quarter ended 30<sup>th</sup> June, 2016 ("the Statement"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. *As mentioned in Note No. 2 to the unaudited standalone financial results, the Company has up to 30<sup>th</sup> June, 2016, directly and through its subsidiaries, made investments of Rs. 7,500.20 Crore in Videocon Telecommunications Limited (VTL), the subsidiary. The licenses awarded by the Department of Telecommunications (DoT) to VTL to provide Unified Access Services in 21 circles in India w.e.f. 25th January, 2008, were quashed by the Hon'ble Supreme Court of India, vide its order and judgment dated 2nd February, 2012. Subsequently, VTL participated in the auction conducted by DoT and has been awarded the Unified Licenses (Access Services) for 6 circles with effect from 16<sup>th</sup> February, 2013, which are valid for a period of 20 years. VTL was also allotted spectrum in these 6 circles.*

*VTL has been continuously incurring losses and has huge accumulated losses as at 30<sup>th</sup> June, 2016. The ability of VTL to continue as a going concern is substantially dependent on its ability to fund its operating and capital expenditure requirements. VTL has entered into agreement dated 16th March, 2016 with Bharti Airtel Limited for trading the right to use 2 x 5 MHz Spectrum in the 1800 MHz band allotted to it in 6 circles at an aggregate consideration of Rs. 4,428.00 Crore, and the said transaction has been concluded on 24th May, 2016. VTL is confident of continuing its commercial operations in the National Long Distance (NLD) and International Long Distance (ILD) Business.*

*However, in view of the huge accumulated losses of the VTL, we are unable to express an opinion on the extent of realisability of aforesaid investments in VTL. The consequential effect of the above, on the standalone financial results for the quarter and period ended 30<sup>th</sup> June, 2016 is not ascertainable.*

4. Based on our review conducted as above, *except for the possible effect of the matter described in paragraph 3 above, the impact of which on the results of the Company is unascertainable*, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable Accounting Standards issued under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes:**

1. The Statutory Auditors have carried out limited review of the above results and the same have been reviewed by the Audit Committee and taken on record by the Board of Directors at its meeting held on 13th August, 2016.
2. In respect of Auditors' qualifications in the review report for the quarter ended 30th June, 2016, regarding the extent of realisability of the investments in Videocon Telecommunications Limited (VTL), the subsidiary, the explanation of management is as under:

The Company has, directly and through its subsidiaries, made investments of Rs. 7,500.20 Crore in Videocon Telecommunications Limited (VTL), the subsidiary. The licenses awarded by the Department of Telecommunications (DoT) to VTL to provide Unified Access Services (UAS) in 21 circles in India w.e.f. 25th January, 2008, were quashed by the Hon'ble Supreme Court of India, vide its order and judgment dated 2nd February, 2012. Subsequently, VTL participated in the auction conducted by DoT and has been awarded the Unified Licenses (Access Services) for 6 circles with effect from 16th February, 2013, which are valid for a period of 20 years. VTL was also allotted spectrum in these 6 circles. VTL has entered into agreement dated 16th March, 2016 with Bharti Airtel Limited for trading the right to use 2 x 5 MHz Spectrum in the 1800 MHz band allotted to it in 6 circles at an aggregate consideration of Rs. 4,428.00 Crore, in terms of the Guidelines for Trading of Access Spectrum by Access Service Providers dated 12th October, 2015 issued by the WPC Wing of the DoT. The said transaction has been concluded on 24th May, 2016.

Though VTL has huge accumulated losses, its networth is positive and the management is confident of continuing its commercial operations in the National Long Distance (NLD) and International Long Distance (ILD) Business. Accordingly, in the opinion of the management, no provision is required for diminution in the value of aforesaid investments in VTL.

3. Tax expense for the quarter and period ended represents provision for current tax, MAT credit entitlement, deferred tax and excess/short provision of income tax for earlier years.
4. The figures have been regrouped/reclassified wherever necessary to make them comparable.
