Pursuant to the publication of the Appointment Order and in accordance with the provisions of the Code, the powers of the Board of Directors of the Company stand suspended and the same have been vested with and are being exercised by the Resolution Professional.

2. In terms of the extant regulations, the Company is required to submit the standalone and consolidated financial results for quarter ended 30th June, 2019, 30th September, 2019, 31st December, 2019 and for the quarter and financial year ended 31st March, 2020. However, the preparation and finalisation of accounts for the quarter ended 30th June, 2019, 30th September, 2019 and 31st December, 2019 and for the quarter and financial year ended 31st March, 2020 has not yet concluded in respect of both standalone as well as consolidated financial results of the Company.
3. It is further submitted that until and unless the financial results of the Company for the quarter ended 30th June, 2019, 30th September, 2019 and 31st December, 2019 (on standalone and consolidated basis), are finalised and approved, the Company would not be in position to prepare and disseminate the financial results for the quarter and financial year ended 31st March, 2020, since the financial results (standalone and consolidated) for the quarter ended on 30th June, 2019, 30th September, 2019 and 31st December, 2019, are a pre-requisite to the preparation of the financial results for the quarter and financial year ended on 31st March, 2020, from an accounting standpoint.
4. Due to the Covid-19 virus pandemic and the measures taken by the Central and State Government with a view to stop the Covid-19 spread by imposing heavy restrictions on free movement of people has hampered the entire day to day functioning of the Company. As a result, the Finance and Accounts department of the Company is facing difficulties in finalization of the standalone and consolidated financial statements of the Company for the quarter ended 30th June, 2019, 30th September, 2019 and 31st December, 2019 and for the quarter and financial year ended on 31st March, 2020 in this current period.
5. Despite this situation, the accounts and finance team of the Company is trying their best in collating data/information on finalisation of the financial statements for the quarter ended 30th June, 2019, 30th September, 2019 and 31st December, 2019 in an expeditious manner and the Company shall endeavour to disseminate the same as early as possible. However, preparation of consolidated financial results, shall take considerable time on account of the complexities involved in entire process including inter alia coordination with the relevant personnel from various subsidiaries of the Company and collation of data across different subsidiaries of the Company.
6. The complexity of preparation of financial statement is further increased due to difficulty in obtaining adequate information from the personnel of the subsidiaries as well as the Company as majority of them have resigned from the respective companies.
