NOTICE TO MEMBERS

Introduction:

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited ("Corporate Debtor" / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor *vide* an order dated June 6, 2018 ("CIRP Commencement") and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies (collectively referred to as the "Corporate Debtors", "Videocon Group Entities"); and (ii) appointing Mr. Mahender Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Khandelwal. Mr. Abhijit Guhathakurta's appointment as the resolution professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor were suspended and stood vested in the Resolution Professional.

VIDEOCON INDUSTRIES LIMITED

Email ID: secretarialvg.in@gmail.com

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control of the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), interalia stayed the operation of the Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the CoC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the CoC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and CoC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of

Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code till the next date of hearing. As a result, the power of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

Constraints in calling the 33rd Annual General Meeting (AGM) of the Company for the financial year ended on 31st March 2023, within the time frame:

In terms of the provisions of Section 96 of the Companies Act, 2013 the Company was required to hold 33rd AGM, for the financial year ended 31st March 2023, on or before 30th September, 2023. However, as explained in the Financial Statements for FY 2019-20, there were several challenges faced for finalizing audited financial statements for FY 2019-20. Unless the financial statements for FY 2019-20 were finalized, Financial statements for FY 2020-21, FY 2021-22 and consequently FY 2022-23 could not be completed. Thus, the annual general meeting of the shareholders for adoption of the financial statements could not be convened earlier. The Resolution Professional has already filed applications before the Adjudicating Authority for suitable directions under section 19 of the Code against the promoter/ erstwhile management to seek requisite cooperation and data (which has not yet been provided to RP or the Company).

Due to the aforementioned practical challenges, the Company faced significant difficulty in organizing the AGM. Consequently, the AGM could not be convened. However, given that substantial time has already passed in convening of this AGM, which is also impacting various other compliances applicable to the Company, the Resolution Professional has taken the initiative to call and convene the AGM.

The members of the Company are requested to note that the business proposed to be transacted in this Annual General Meeting is critical to maintain the going concern status of the Company and to ensure compliance with applicable laws. Irrespective of the voting result of the business as proposed to be transacted in this Annual General Meeting, the Resolution Professional shall be bound to comply with the applicable provisions of the Code in respect of his obligations to manage the Company as a going concern and to further comply with decisions of the CoC in that regard. To this end, the members of the Company are requested to fully cooperate with the Resolution Professional.

DIRECTORS' REPORT (For the Financial year 2022-23)

To,
The members,
Videocon Industries Limited

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT"/"Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC"/"the Code") against Videocon Industries Limited ("Corporate Debtor")/"the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor *vide* an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional ("CIRP Commencement").

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies (collectively referred to as the "Corporate Debtors", "Videocon Group Entities"); and (ii) appointing Mr. Mahender Kumar Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Kumar Khandelwal. Mr. Abhijit Guhathakurta's appointment as the resolution professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stood vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

At the time of commencement of CIRP, there were three (3) Directors on the board of the Company, (i) Mr. Venugopal Nandlal Dhoot, (ii) Mr. Subhash Shamsunder Dayama and (iii) Mrs. Sarita Sanjay Surve, collectively referred to as the 'Erstwhile Directors'. Post commencement of CIRP, the members at the general meeting held on December 17, 2018 had dissented the resolution for the appointment of Mr. Venugopal N Dhoot as director of the Company on account of majority of the Promoters, Promoters' Group and person acting in concert dissenting to the said resolution i.e., voting against the resolution. However, the committee of creditors of the Company has not approved the resultant change in the management of the Company as required in terms of the Section 28 of the Code, in light of the ongoing CIRP of the Company. Thus, Mr. Venugopal Dhoot continues to be designated as a Director of the Company.

After appointment of Mr. Abhijit Guhathakurta as the Resolution Professional of the Company, the Company started examining and effectuating applicable outstanding compliances, by collating and verifying various data of the Company. During such examination of details, the Company became aware that Mr. Subhash Shamsunder Dayama had incurred disqualification u/s 164(2) of the Companies Act, 2013 (the "Companies Act"). Also, Mrs. Sarita Sanjay Surve, resigned from the directorship of the Company w.e.f. June 27, 2022 which was placed before the CoC for its consideration. The relevant DIR-12 forms for cessation of their directorship could not be filled with Ministry of Corporate Affairs ("MCA") because of the technical difficulties on the MCA portal as the number of available directors falls below the minimum requirement of 3 directors. It is clarified that the aforesaid directors continued to be responsible for the affairs of the Company up to the date the Company recognized their disqualification/vacation and took the same on record.

The Resolution Professional with the necessary approval of the COC, had also appointed Mr. Satish Motilal Totala as the Whole-Time Director of the Company w.e.f. October 5, 2020 for the purpose of complying with statutory requirements under the Companies Act and the Company had filed e-form DIR-12 to that effect. As the Company was under CIRP his tenure was extended for a further period of one (1) year with effect from October 05, 2022, on the same terms and conditions.

It may also be noted that Mr. Satish Motilal Totala and Mr. Venugopal N Dhoot have incurred disqualification under section 164(2) of the Companies Act from October 31, 2022 due to the non-filing of financial statements and annual return of the Company for the last three financial years i.e. for the financial year 2019-20, 2020-21 and 2021-22. However, in terms of the first proviso to section 167(1)(a) of the Companies Act the said Directors do not vacate their office in the Company. Mr. Satish Motilal Totala ceased to be the whole time director of the Company with effect from 5th October 2023 consequent to completion of his tenure.

Further, the Resolution Professional with the necessary approval of the CoC, has also appointed Mr. Babubhai D. Vaghela (DIN: 10301042) and Mr. Sanjay Palecha (DIN: 10301038) as Whole Time

Directors of the Company for a period of 1 (One) Year w.e.f. 14 September, 2023, for the purpose of complying with statutory requirements under the Companies Act, and the Company had filed e-form DIR-12 to that effect.

Thus, presently there are 3 (Three) Directors on the suspended board of the Company namely Mr. Venugopal Nandlal Dhoot, Mr. Babubhai Dolatsinh Vaghela, and Mr. Sanjay Kumar Palecha.

However, it may also be noted that the resignation / separation of Directors has not been accepted by the RP or the CoC in terms of provisions of section 28(j) of the Code.

In relation to Key Managerial Personnel, there is no Chief Financial Officer ("CFO") on the Board of the Company and Ms. Samridhi Kumari who was appointed as the Company Secretary and Compliance Officer of the Company has resigned from her office w.e.f. August 31, 2023. Further, while the tenure of Mr. Venugopal Nandlal Dhoot as Managing Director and Chairman of the Company had ended on August 31, 2020, he continues to be designated as the Chief-Executive Officer of the Company in terms of his appointment on November 16, 2016.

As it was explained in financial statements for FY 2019-20, there were several challenges faced for finalizing audited financial statements for FY-19-20. Unless the financial statements for FY 19-20 were finalized, Financial Statements for FY 20-21, 21-22, and consequently 22-23 could not be completed. Thus, this report of directors of the Company for the financial year ended March 31, 2023 could not be finalised and the annual general meeting of the shareholders for adoption of the financial statements along with this report could not be convened earlier.

Further, requisite financial statements of the Subsidiaries, Joint Ventures and Associates are also not made available to the Company for preparing consolidated financial statements. In this regard, the Resolution Professional has also filed an application with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the Company. Considering the uncertainty about the receipt of the financial statements of the subsidiaries, joint ventures and associates, the Company, in partial compliance and as a part of good governance practices, has decided to convene the Annual General Meeting without any further delay basis the Standalone Financial Statements.

Pursuant to consolidation of CIRP of Videocon Group Entities, due to limited availability of resources, the accounting and secretarial compliances of Videocon Group Entities (including the Corporate Debtor) are being collectively managed by employees, officials and consultants of Videocon Group Entities (hereinafter referred to as "Group Resources").

The audited statement of Profit and Loss for the financial year ended on March 31, 2023 and the Balance Sheet as at date together with the Cash Flow Statement and notes and annexures thereto; and the Reports of the Directors (the "Financial Statements") have been prepared by the Group Resources and accordingly, basis the confirmation provided by the Group Resources of the veracity and reliability of these Financial Statements, these Financial Statements have been taken on record and signed by Mr. Abhijit Guhathakurta, the resolution professional of the Company, subject to the following disclaimers:

- ix. The Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the Company, for providing various data, including those that are required for preparing Financial Statements and data requested by various investigating agencies. The requested data is still not made available to be Resolution Professional except for certain minutes of Meeting of Board of Directors, Committees and Members, which were received through the office of Serious Fraud Investigation

AUDITORS AND THEIR REPORTS

1. STATUTORY AUDITORS:

The erstwhile statutory auditors of the Company, M/s S. Z. Deshmukh & Co., Chartered Accountants, Mumbai had tendered their resignation dated October 8, 2021 (received by the Resolution Professional on October 11, 2021) w.e.f. financial year commencing from April 1, 2019.

In terms of section 17 of the Code, any change in the terms of appointment of the statutory auditor requires approval of the Committee of Creditors. Accordingly, basis the written consent and certificate submitted by M/s KVA and Co., Chartered Accountants (Firm Registration No. 017771C), in terms of the provisions of section 139 (1) of the Companies Act read with Rule 4 the Companies (Audit and Auditors) Rules, 2014, the CoC, at its meeting held on June 8, 2022 (with e-voting concluded on June 17, 2022), had approved appointment of M/s KVA and Co. as the Statutory Auditors of the Company for the term period of five (5) years from the financial year April 1, 2019 to March 31, 2024.

Thus, in terms of the provisions of Section 139 of the Companies Act and the Rules made thereunder, M/s KVA & Company, Chartered Accountant (Firm Reg. No: 017771C) shall hold office till the conclusion of annual general meeting of the Company to be held for financial year ended on March 31, 2024.

2. STATUTORY AUDIT REPORT:

M/s KVA & Company, Chartered Accountant (Firm Reg. No: 017771C), the Statutory Auditors of the Company have submitted Auditors Report, which has qualifications, disclaimers and observations on the financial statements, compliance with other Legal & Regulatory Requirements and adequacy and effectiveness of Internal Financial Controls, for the financial year ended on March 31, 2023.

Auditors Qualification:

The qualifications, disclaimers and observations raised by the Statutory Auditors in their report for the period ended on March 31, 2023 is set out and marked as 'Annexure 4'.

In response to the qualifications / observations raised by the Statutory Auditor, the Resolution Professional re-iterates that-he has relied on the confirmations provided by the Group Resources who have prepared the Financial Statements of the Company basis the available data. Further, as explained in the notes to accounts of the Financial Statements:

- a) As it was explained in financial statements for FY 19-20, the Group Resources and the RP (including his team) have relied on the opening Balance Sheet and the balances reflected in available accounts / ledgers/ trial balance as on March 31, 2019 without going into the merits of such balances outstanding. No adjustments have been made to such accounts / balances except for giving effect to the transactions entered subsequently from April 1, 2019.
- b) since the Company is under CIRP and various Prospective Resolution Applicants ("PRAs") were conducting their independent due-diligence for submitting a resolution plan, it was material to ensure that any change in books of the Corporate Debtor on account of revaluation of assets, impairment assessment, ascertainment of Fair Market Value of assets etc. does not provide any indicative pricing on the assets of the Corporate Debtor to the PRAs. Thus, in the interest of value maximization under CIRP for all stakeholders, certain assets like property plant and equipment, unquoted investments, loan & advances, inventories etc. have been recorded at their carrying values. Also, no additional provision has been made on outstanding receivables.
- c) an independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into before commencement of CIRP. In this regard, RP in compliance of his duties under the IBC has filed an application with NCLT to declare such transactions as void and be set aside. Adjustments, if any, for such transaction(s) may be made upon further directions from NCLT and/or upon any order being passed by NCLT.
- d) there are ongoing investigations against Videocon Group Entities by different government agencies. The Resolution Professional has been fully supportive and cooperative in the investigation being carried out by the statutory investigative agencies, including SFIO and ED.
- e) the Resolution Professional has filed an application with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the Company, for providing various data, including those that are required for preparing Financial Statements and data requested by various investigating agencies. The requested data is still not made available to the Resolution Professional. Thus, in the absence of required relevant data, the Financials Statements have been prepared on the basis of available data on best effort basis.
- f) In light of the aforesaid reasons, confirmations and reconciliation of balances of certain trade receivables, trade and other payables and loans and advances could also not be obtained.
- g) Post assumption of office of the Resolution Professional, all payments are being approved only by the Resolution Professional (with requisite approval from the CoC, wherever required as per applicable provisions of the Code). The Company has established effective controls for monitoring CIRP period transactions undertaken post assumption of office of the Resolution Professional.
- h) Considering the Company is required to be run as a going concern under CIRP, the financial statements have been prepared on going concern basis.

Thus, owing to various financial and operational constraints including but not limited to non-cooperation from Erstwhile Directors/ management and promoters of the Company, non-availability of detailed books of accounts and various supporting documents and records for pre-CIRP period, resignation of past employees / consultants from accounts function, the preparation of Financial Statements of the Company has faced several limitations. The RP had taken necessary steps under the Code to seek the requisite data and had further filed application under Section 19 of the Code seeking requisite cooperation and data from promoters and erstwhile management of the Company, and the requisite data has still not been made available, and the proceedings before the Hon'ble NCLT against the erstwhile management of the Company for seeking the necessary information and cooperation remains sub-judice.

3. COST AUDITOR AND COST AUDIT REPORT:

The Company is in the process of appointing the Cost Auditor for the financial year 2020-21, 2021-22, and 2022-23.

4. SECRETARIAL AUDITOR AND SECRETARIAL AUDIT REPORT:

Section 204 of the Companies Act inter-alia requires every listed company to annex to its Board's Report, a secretarial audit report given by a Company Secretary in practice, in the prescribed form.

The Resolution Professional, in compliance with Section 204 of the Act had, based on the recommendations of the secretarial team of Videocon Group Entities, appointed Mrs. Gayathri R. Girish, Company Secretary in Whole-Time Practice, Pune (Membership No. 18630, C.P. No. 9255) to carry out the Secretarial Audit for the financial period ended on March 31, 2023. The Report of the Secretarial Audit in Form MR-3 for the financial year ended March 31, 2023 is marked as 'Annexure-5 and forms part of this Report and consists of the observations stated by the Secretarial Auditor.

In respect of observations raised by the Secretarial Auditor, the following explanations are being placed on record:

- > The Company is not having various financial, secretarial and cost records for periods up to CIRP Commencement as the same were not handed over by the promoters / erstwhile management to the Resolution Professional. The Resolution Professional has already filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the Company, for providing the requisite data.
- Further, there were pre-existing delays in compliances during the period prior to commencement of CIRP and / or prior to assumption of office of the Resolution Professional. Such past delays / non-compliances also had an impact on the compliances falling due during tenure of the Resolution Professional.
- Post assumption of office of the Resolution Professional, despite several operational, practical and technical challenges faced, the Company has endeavored to comply with secretarial compliances of the Company, to the extent feasible and possible, including those pertaining to period prior to his assumption of office.

Post commencement of CIRP, the members at the general meeting held on December 17, 2018 had dissented the resolution for the appointment of Mr. Venugopal N Dhoot as director of the Company on account of majority of the Promoters, Promoters' Group and person acting in concert dissenting to the said resolution i.e., voting against the resolution. However, in terms of the first proviso to section 167(1)(a) of the Companies Act the said Directors do not vacate their office in the Company.

Mr. Satish Motilal Totala ceased to be the whole time director of the Company with effect from 5th October 2023 consequent to completion of his tenure.

ANNEXURE-3

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT"/"Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC"/"the Code") against Videocon Industries Limited ("Corporate Debtor")/"the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor *vide* an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies (collectively referred to as the "Corporate Debtors", "Videocon Group Entities"); and (ii) appointing Mr. Mahender Kumar Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Kumar Khandelwal. Mr. Abhijit Guhathakurta's appointment as the resolution professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stood vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the NCLT Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the NCLT Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with

the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Consolidated Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

As elaborated in the Directors' Report, the pre-CIRP director is not co-operating with the RP and there is no CFO available with the Company as on the date of this report.

Further, pursuant to Consolidation of CIRP of Videocon Group Entities, including the Company and due to limited availability of resources and various other operational constraints involved, the entire accounting and secretarial compliances of Videocon Group Entities (including the Corporate Debtor) are being collectively managed by employees, officials and consultants of Videocon Group Entities (hereinafter referred to as "Group Resources").

- 6) With respect to related party disclosures made under Note No.53 of the Financial Statements, we are unable to confirm or comment whether the details provided are complete and in compliance with the requirements of section 188 of the Companies Act, 2013 and Ind AS-24 "Related Party Disclosures".

- 8) As referred in Note No-35, valuation towards employee benefit expenses is based on actuarial valuation report. Since the company is into CIRP, the assumptions considered and the resultant outcomes may change basis the outcome of CIRP. As such, we are unable to comment on impact, if any, on the Financial Statements.
- 9) With respect to Note No-36 to the financial statements regarding Financial Instruments, read with Note 50 to the Financial Statements, the company has not complied with the requirements of Ind AS-109 Financial Instruments. Further, we are unable to comment on the completeness / exhaustiveness of the contingent liabilities covered and any impact that may be necessary on

the Financial Statements at this stage.

11) We also draw your attention to Note No-38 to the Financial Statements. There are certain disputes with the Government of India ("GOI") with respect to the earlier Production Sharing Contract dated October 28, 1994 ("Ravva PSC"), now extended up to October 2029 vide RAVVA PSC extension dated October 24, 2019, pertaining to Ravva Oil & Gas Field. Presently, the issue as to the recovery of GOI's alleged claims totaling US\$ 118 Million are being heard in the Supreme Court of India ("SC").

Since the GOI's invocation of the claim of USD 118 million and pending final resolution, all sales revenue of VIL on account of sale of oil & gas to oil marketing companies (GOI owned companies) have been diverted to GOI and are not received by VIL since November 2019. Pending final resolution of the above mentioned disputes, certain amounts of the company's share in revenues from RAVVA Oil & Gas sales have been excess recovered, deducted or short paid by the GOI and / or its Nominees which have been challenged by the Company in the past and present and the Company is seeking recovery of amounts excessively recovered, deducted or short paid by the GOI and/or its Nominees, now that the above matters are being presently heard in the SC and the proceedings are ongoing and awaiting outcome. The Company has not made any adjustments or provided for any further sums required to be paid or recoverable by the Company in respect of such disputes, pending the final outcome in such matters. In this regard, we are unable to ascertain possible financial impacts of such disputes on the Financial Statements.

As mentioned in Note No-39 to the Financial Statements, pursuant to commencement of CIRP of the Company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors, operational creditors, employees and other creditors to the RP. Such claims can be submitted to the RP till the approval of the resolution plan by (Committee of creditors) COC. The overall obligations and liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. Outcome of the CIRP process is still pending thus no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for financial creditors, operational creditors, employees and other creditor. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.

Further, the Company is contingently liable in respect of the borrowings of other Obligors/Borrowers to the extent of outstanding balance of Rupee Term Loans as on March 31, 2023 of INR 49,173.91 million (As at March 31, 2021 INR 49,173.91 million). As such, consequential impact if any is currently unascertainable and we are unable on possible financial impact of the same. Further, as mentioned under Note No. 18 and 39 since the commencement of CIRP, there is a Moratorium in terms of section 14 of the Code towards repayment of existing debts and interest thereon. However, pending the completion / final outcome of CIRP, the Company has continued to provide for the interest for full financial year, including the moratorium period. Payment towards such interest expenses are subject to the provisions of the Code and outcome of CIRP. However, we have not received supporting documents for such borrowings, including relevant sanction letters and other relevant documents. As such, we are unable to confirm whether the Borrowings of INR 519,457.13 million (2022: INR 446,890.87 million) as reported under Note No-18 and 39 provide an accurate status and whether the basis for interest charged in statement of profit and loss account is in accordance with Ind AS-23 "Borrowing Cost".

- 13) With respect to Note Nos-41 (on SCN received from DRI) and 42 (on disclosures pertaining to MSMEs), we have not been provided any documents/ records. We are therefore unable to comment upon these.
- 14) With respect to Note No-45, we are unable to ascertain if the reported details provide a

complete and accurate breakup of segmental reporting in accordance with Ind AS- 108 "Operating Segments".

- 15) The company has not produced any documents/ information/ relating to Grant form ozone Project (as set out in Note No-46 of Financial Statements with a carrying value of INR 31.86 million as at 31st March, 2023). As such, we are unable to ascertain impact of the same in Financial Statements at this stage.
- During the conduct of audit, we have also been informed that the balance confirmations are not available in respect of the balances of loans and advances, trade receivables, trade payables, and other receivables and payables. As such, we are unable to ascertain impact on Financial Statements. However, in case of balance with banks, (INR 64.85 million), we have been provided most of the copies of bank statements (subject to their reconciliations).
- 17) According to the details made available to us and on the basis of filings made on the GST portal, the company has defaulted / made delayed filings pertaining to the annual compliances of Goods and Service Tax (GST) along with the compliances of Income Tax Act, as applicable during the year. As such, we are unable to comment upon the future liability and/or any other financial impact that may arise on the Company.
- We also draw your attention to Note No-62 to the Financial Statements. The Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the company, for providing various data, primarily pertaining to pre-CIRP period and certain additional data that is required for preparing Financial Statements and data requested by various investigating agencies. In the absence of relevant data, the financials have been prepared on the basis of available data on best effort basis.

Further, other deviations from the requirements of Companies Act, 2013 and Indian Accounting Standards have also been highlighted in this report. As such, the Company has not followed all of the standard accounting policies as prescribed in Note-1 to the Financial Statements on various matters and the Financial Statements have not been prepared in strict compliance with the requirements of relevant sections of the Companies Act, 2013 and Ind AS along with other rules and regulations. The overall financial impact, if any, is unascertainable.

We also draw your attention to Note no-56 and 57 of the Financial Statements, wherein it is mentioned that an independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into before commencement of CIRP. And further, there are ongoing investigations against Videocon Group Entities by different government agencies, including SFIO and Directorate of Enforcement. In this regard, we have not been provided any copy of notice/ report/information/documents on such Transaction Review Audit and ongoing investigations. Hence, we are unable to comment on necessary changes that may be required in the Financial Statements at this stage.

19) The Company has mentioned in Note 60 of the Financial Statements that, considering the Company is required to be run as a going concern under CIRP, the Financial Statements have been prepared on going concern basis. However, we found Material uncertainty relating to Going Concern assumption applied to the Financial Statements. The Company has been referred to National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016, there is considerable decline in level of operations of the Company, and net worth of the Company reported at INR (257,664.81) Million as on the reporting date is negative and it

continues to incur losses. The Company is a co-obligor and has received demand notices in respect of borrowings of other co-obligors/borrowers. Thus, there exists a material uncertainty about the ability of the Company to continue as a "Going Concern". The same is dependent upon the outcome of SC Appeals and /or any other developments on the resolution process of Videocon Group Entities. The appropriateness of the preparation of Financial Statements on going concern basis is critically dependent upon CIRP as specified in the Code. Necessary adjustments required on the carrying amount of assets and liabilities are not ascertainable. Further we are unable to comment on the remarks / explanation provided by the Company under Note No. 52 to the Financial Statements in relation to the Analytical Ratios.

For the matters mentioned in para no (1) to (19) above, we are unable to determine the adjustments that are necessary in respect of Company's assets, liabilities as on Balance sheet date, income and expenses for the year, cash flow statement and related presentation and disclosures in Financial Statements so we disclaim to form any opinion on the Financial Statements.

We further inform that we were appointed as the Statutory Auditor of the Company only on June 27, 2022 for conducting Statutory Audit from FY 2019-20. For the matters stated in the "Basis for Disclaimer of Opinion paragraph above", we are not cognizant of matters that pertain to/transpired in earlier financial years (i.e. prior to FY 19-20) and hence cannot be implicated in ongoing proceedings for matters contained herein, which relate to earlier financial years.

CERTIFICATE ON NON-DISQUALIFICATION OF DIRECTORS

[Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements)

Regulations, 2015]

To

The Members of VIDEOCON INDUSTRIES LIMITED

Subject: Certificate under Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

I have examined the records, forms, and other documents of Videocon Industries Limited having CIN L99999MH1986PLC103624; registered office at 14. K.M Stone, Aurangabad Paithan Road, Village Chittegaon, Taluka Paithan, Aurangabad - 431105 (hereinafter referred to as 'the Company'), produced before me for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the Financial year ended March 31, 2023.

Status of Disqualification/Non - disqualification as at April 1, 2022:

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in; list of entities debarred by Securities and Exchange Board of India, as uploaded on the website of BSE Limited (BSE) and National Stock of Exchange of India Limited (NSE) and based on the explanation furnished to me by the Company and its officers; I hereby report that the Company, prior to commencement of Corporate Insolvency Resolution Process (CIRP), was in default of repayment of principal amount of U.S.\$75.2 Million and interest thereof for a period of more than 1 (One) year in respect of FCCBs issued. Thus, in terms of the provisions of Section 164(2)(b) of the Companies Act, 2013, the Board of Directors of the Company incur disqualification. Further, in terms of Section 167(1)(a) of the Companies Act, 2013, the office of the directors shall become vacant in case they

incur any of the disqualification specified in Section 164, provided that the office shall become vacant in all the companies, other than the company which is in default.

The Directors of the Company had previously represented that they do not incur disqualification under section 164(2)(b), because the FCCB transaction was under duress and the matter is sub-judice.

However, in my opinion, consequent to default in repayment of the FCCBs, the following Directors of the Company as at the commencement of the year under review i.e., as on April 01, 2022 are disqualified under Section 164(2)(b) of the Companies Act, 2013 and, accordingly, they vacate office in all other companies other than the Company which is in default under that sub-section i.e. Videocon Industries Limited:

No.	Name of Director	DIN	Date of Appointment
1.	Venugopal Nandlal Dhoot	00092450	01/09/2015
2.	Sarita Sanjay Surve	07728829	11/02/2017

Mr. Satish Motilal Totala (DIN: 08901288) was appointed as the Whole-Time Director of the Company w.e.f. October 5, 2020. Accordingly, in terms of Section 164(2)(b), he does not attract any disqualification for a period of six months from his date of appointment for default in repayment of FCCBs. Further, in view of the moratorium on the all the past dues (pre-CIRP dues), the provision of six months will not become effective and, accordingly, the said director doesn't attract any disqualification even beyond 6 months. However, in absence of the clear provisions in the Companies Act, 2013 with regards to this matter and considering the provisions of IBC supersedes, without qualifying, I am drawing attention to the same.

Status of Disqualification/Non - disqualification as at the financial year ended on March 31, 2023 :

o Post commencement of CIRP, the members at the Annual General Meeting held on December 17, 2018 wherein majority of the Promoters, Promoters' Group and person acting in concert had dissented the resolution for the appointment of Mr. Venugopal N Dhoot (DIN: 00092450) as director of the Company. However, the Committee of Creditors of the Company has not approved the resultant change in the management of the Company as required in terms of Section 28 of the Insolvency and Bankruptcy Code, 2016, in light of the ongoing CIRP of the Company. Thus, Mr. Venugopal Dhoot continued to be designated as a Director of the Company. The tenure of Mr. Venugopal Nandlal Dhoot as Managing Director and Chairman of the

Company has ended on August 31, 2020. The DIN: 00092450 of Mr Venugopal N Dhoot has also been de-activated by the Ministry of Corporate Affairs effective 1st October, 2022 due to non-completion of KYC.

- o Based on my examination, Videocon Industries Limited has not filed financial statements or annual returns for a continuous period of three financial years i.e., 2019-2020, 2020-2021 and 2021-2022, and accordingly all the directors who were directors as on October 30, 2022, attract the disqualification under section 164 (2)(a) of the Companies Act, 2013 ("Effective Date of Disqualification") and consequently they shall vacate office in all the companies, other than the Company in default i.e., Videocon Industries Limited.
- The continuing directors for the year 2022-23 namely Mr. Satish Motilal Totala (DIN: 08901288) and Mr. Venugopal N Dhoot (DIN: 00092450) have attracted the disqualification under section 164 (2)(a) of the Companies Act, 2013 effective October 30, 2022. Nevertheless, they do not vacate office in Videocon Industries Limited in terms of the first proviso to Section 167 (1) (a) of the Act. The Company is yet to intimate the aforesaid disqualification of directors in Form DIR 9 to the office of the Registrar of Companies.

It is clarified that notwithstanding the above, none of the following Directors of the Company as detailed hereinbelow have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA) on any other grounds or debarred/disqualified by any such other Statutory Authority as at March 31, 2023:

As at the date of issuance of this certificate, the status of eligibility/continuity of directors of Videocon Industries Limited is as follows:

o Mr. Satish Motilal Totala ceased to be the whole time director of the Company with effect from 5th October 2023 consequent to completion of his tenure.

o As informed to me, the Resolution Professional with the necessary approval of the CoC, has also appointed Mr. Babubhai D. Vaghela (DIN: 10301042) and Mr. Sanjay Palecha (DIN: 10301038) as Whole Time Directors of the

Company for a period of 1 (One) Year w.e.f. 14 September, 2023, for the purpose of complying with statutory requirements under the Companies Act.

o Mr. Venugopal N Dhoot (DIN: 00092450) has attracted the disqualification under Section 164 (2)(a) of the Companies Act, 2013 effective October 30, 2022, as mentioned earlier. respect of the Board and General Meetings as set out in Secretarial Standard-1 and Secretarial Standard-2 are not applicable to the Company

> The Listing Agreements entered by the Company with BSE Limited and National Stock Exchange of India Limited

I have relied on the representation made by the Company and its officers for the systems and mechanisms formed by the Company for compliances under applicable Acts, Rules, Laws and Regulations to the Company.

I have not examined the Compliance by the Company:

- with other laws including applicable labour, industrial, environmental and other industry specific laws (as informed and certified by the Officials of the Company which are specifically applicable to the Company based on its industry/sector) since the compliance and monitoring of the said laws are to be ensured by the management of the Company;
- > with the applicable financial laws like direct and indirect laws, since the same have been subject to review by the statutory financial audit undertaken by other designated professionals.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc., subject to the following observations:

I. Under the Companies Act, 2013:

- During the year, the Company has not appointed Internal Auditor as required in terms of provisions of Section 138 of the Act read with Rule 13 of Companies (Accounts) Rules, 2014.
- Mr. Satish Totala (DIN: 08901288) was appointed as Whole-Time Director with effect from October 05, 2020 for a tenure of two years and further extended for a tenure of one year effective October 05, 2022, pursuant to the approval of Committee of Creditors. Accordingly, he ceased to be the Whole –time Director with effect from October 05, 2023 consequent to completion of his tenure. In relation to appointment of Mr. Satish Totala, whose tenure was extended, I would like to draw attention, without qualifying, to the provision of Section 196 read with Schedule V, pursuant to which his appointment is required to be approved at the next general meeting. Further, in terms of Proviso (ii) to Section II of Part II in Schedule V, in case the company is in default in repayment of any of its debts (including deposits) or debentures or interest payable thereon for a continuous period of thirty days in the preceding financial year, approval of the

lenders shall be obtained. However, in the instance case, as the appointment of Mr. Satish Totala was approved by the COC, it is a deemed compliance of the said provision. Further, till the date of issuance of this report, no general meeting was held; hence his appointment remains subject to confirmation/approval of the members at the next general meeting as and when held.

Return of Appointment of Managerial Personnel in Form MR-1 pursuant to Rule 3 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 for the appointment of Mr. Satish Totala as Whole-Time Director of the Company is not yet filed. It may be noted that Mr Satish Totala (DIN: 08901288) stands disqualified to hold office as director under Section 164 (2) (a) of the Companies Act, 2013 with effect from October 30, 2022 on account of non-filing of financial statements and Annual Return for a continuous period of three financial years by the Company. However, he does not vacate office from the Company in terms of Section 167 (1) (a) of the Act. The Company has till date not intimated the aforesaid disqualification in Form DIR – 9 to the office of the Registrar of Companies pursuant to Section 164 (2) read with Rule 14 (2) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

- There are no Independent directors on the Board effective June 27, 2022 following the resignation of Ms Sarita Sanjay Surve (DIN: 07728829). The Company till such date has not received any disclosures in respect of declaration by independent director confirming status of independence under Section 149 (6)/(7) of the Companies Act, 2013 and also confirmation under Rule 6 of the Companies (Appointment and Qualification of Directors) Fifth Amendment Rules, 2019 in respect of inclusion of name in Databank of Independent directors or renewal thereof.
- The Company has not appointed any Woman Director in terms of Section 149 read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2019 following the resignation of Ms Sarita Sanjay Surve.
- The members of the Company at the Annual General Meeting held on December 17, 2018 had dissented the resolution for the appointment of Mr. Venugopal N Dhoot as director of the Company, on account of majority of the Promoter (s), Promoter Group and Persons Acting in Concert dissenting to the said resolution. Thus, in terms of the provisions of the Companies Act, 2013, Mr. Venugopal N Dhoot ceased to be Director and consequently the Chairman and Managing Director of the Company. However, the Committee of Creditors have not approved the resultant change in the management of the Corporate Debtor as required under Section 28 of the Insolvency and Bankruptcy Code, 2016 and Mr. Venugopal N Dhoot continues to be director in the Company.

I would like to draw attention to Regulation 17(1)(C) of the SEBI LODR that appointment/re-appointment of a person including a managing director or a

whole-time director or a manager who was earlier rejected by the shareholders at a general meeting, shall be done only with the prior approval of the shareholders. Nevertheless, it is pertinent to note that in accordance with Regulation 28 of the Insolvency and Bankruptcy Code, 2016 ('IBC'), the Resolution Professional shall not take certain actions without the prior approval of the Committee of Creditors ('CoC') inter-alia including making any change in the management of the Corporate Debtor or its Subsidiaries. As such, considering the fact that the IBC overrides the provisions of the Companies Act, 2013, the said change in management cannot be implemented in view of absence of approval from the CoC. Accordingly, it was construed that his appointment shall remain valid and M.r Venugopal N Dhoot continued to hold office as Chairman and Managing Director of the Company.

• I invite your attention here, that the tenure of Mr Venugopal N Dhoot as Chairman and Managing Director of the Company has ended on August 31, 2020 by virtue of the agreement entered into with the Company on September 01, 2015. However, Mr. Venugopal N Dhoot continues to be designated as the Chief Executive Officer and director of the Company in terms of his appointment on November 16, 2016.

As mentioned in my previous audit report for year ended 2021 and 2022, it is reiterated that in view of the absence of approval of the Committee of Creditors to give effect to the change in management/cessation of Mr. Venugopal N Dhoot as Chairman and Managing Director, I am unable to comment on the applicability of filing Form DIR 12 for the said instance.

It may be noted that Mr Venugopal N Dhoot (DIN: 00092450) stands disqualified to hold office as director under Section 164 (2) (a) of the Companies Act, 2013 with effect from October 30, 2022 on account of non-filing of financial statements and Annual Return for a continuous period of three financial years by the Company. However, he does not vacate office from the Company in terms of Section 167 (1) (a) of the Act. The Company has till date not intimated the aforesaid disqualification in Form DIR – 9 to the office of the Registrar of Companies pursuant to Section 164 (2) read with Rule 14 (2) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

• By virtue of the above, the Company is not in compliance with Section 149 (1) (a) with regards to minimum number of directors on the Board of the Company during the year under review. Effective June 27, 2022, there are no independent directors on the Board of the Company. The Company is not in compliance with requirements of Section 177 and 178 of the Companies Act, 2013 with regards to the composition/minimum number of members of Audit Committee, the Nomination and Remuneration Committee, Stakeholders Relationship

Committee, Risk Management Committee and Corporate Social Responsibility Committee as per Section 135 of the Act.

• The Company appeared to be under default (prior to CIRP commencement) of repayment of principal amount of USD 75.2 Million and interest thereof for a period of more than 1 (One) year in respect of FCCBs issued consequent to exercise of put option by the holders of the FCCBs. Accordingly, pursuant to the provisions of Section 167(1)(a) of the Companies Act, 2013, the office of the director shall become vacant in all the companies, other than the company which is in default under that sub-section. Further, the Company failed to comply with the requirement of filing e-form DIR-9 pursuant to Section 164 (2) read with rule 14 (2) of the Companies (Appointment And Qualification of Directors) Rules, 2014.

However, in the past (prior to CIRP commencement), the Company has informed that as the matter is sub-judice and the said contract was under duress, no amount has yet become due and payable. Thus, according to the Company, the Board of Directors of the Company does not incur disqualification under Section 164(2)(b) of the Companies Act, 2013 till the time the matter is decided by the appropriate forum. However, i am of the view that in absence of injunction from appropriate forum, the continuing Directors for the year of review viz., Mr. Venugopal N Dhoot and Ms Sarita Surve (upto June 27, 2022) are disqualified to hold office as director in any other Company other than the Company of default. Mr. Satish Totala, who was appointed as the Whole-Time Director of the Company w.e.f. October 05, 2020, in terms of Section 164(2)(b), does not attract any disqualification for a period of six months from his date of appointment for default in repayment of FCCBs. Further, in view of the moratorium on the all the past dues (pre-CIRP dues), the provision of six months will not become effective and, accordingly, the said director does not attract any disqualification even beyond 6 months. In the absence of any clear provisions in the Companies Act, 2013 in this matter and considering the provisions of IBC supersedes, without qualifying, I am drawing attention to the same.

- The Directors of the Company have failed to disclose the following:
 - a) Interest in terms of Section 184 (1) of the Companies Act, 2013 read with Rule 9 of the Companies (Meeting of the Board and its Powers) Rules, 2014 during the year in Form MBP 1.

b) Disclosure as per Section 164 (2) of Companies Act, 2013 and Rule 14 (1) of Companies (Appointment and Qualification of Directors) Rules, 2014 in Form DIR 8 during the year under review.

The Company has not complied with this requirement for the Annual General Meeting for the financial year ended on March 31, 2022.
- In terms of Section 137(2) where the annual general meeting of a company for any year has not been held, the financial statements along with the documents required to be attached under sub-section (1) of Section 137 duly signed along with the statements of facts and reason for not holding the annual general meeting shall be filed with the Registrar within thirty days of the last date before which the annual general meeting should have been held. respect of which dividend is unclaimed or unpaid for more than 7 years and which were due for transfer to IEPF. Thus, the Company has violated the provisions of Section 124(6) of the Companies Act, 2013 read with Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016. Therefore, in view of non-transfer, the Company has not intimated to Registrar of Companies in E-Form IEPF-1 & IEPF-4.

- The Company has not filed statement of unpaid or unclaimed dividend, in Form IEPF-2, in terms of requirements of Rule 5(8) of the amendment for the IEPF Rules of 2016. - The Company has not filled the casual vacancy caused in the office of the Statutory Auditor in accordance with Section 139 (8) of the Companies Act, 2013 i.e., within 30 days of the resignation and also not obtained approval of the members at the general meeting within three months of the recommendation. The Company has with the approval of the Committee of Creditors (COC) (through e-voting concluded on June 17, 2022), filled the vacancy in the office of the Statutory Auditor during the financial year 2022-2023. The statutory auditor so appointed shall hold office for a term of five years commencing April 01, 2019 till March 31, 2024. Considering the Company is into CIRP, the approval of the appointment of Statutory Auditor by COC, is a deemed compliance.

However, it may be noted that till the date of issuance of this report, no general meeting of the Company has been held; hence his appointment still remains subject to confirmation/approval of the members at the next general meeting as and when held.

I have been informed that in the absence of detailed books of accounts of earlier years, ledger copies, fixed asset register as required to be maintained as part of Books of Accounts under the provisions of section 128(1) of Companies Act, 2013, workings of deferred tax assets/liabilities and contingent liabilities etc., the financial statements have been prepared by the Company on the basis of available data on best effort basis. Hence, I am unable to comment on the compliance with Section 128 of the Companies Act read alongwith the rules thereunder.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
VIDEOCON INDUSTRIES LIMITED
(Company under Corporate Insolvency Resolution Process "CIRP")

Report on the Audit of the Standalone Financial Statements for Financial Year- 2022-23

Material Background for this Audit Report

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited (the "Corporate Debtor") / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies namely, Value Industries Limited, Videocon Telecommunications Limited, Evans Fraser & Co. (India) Limited, Millennium Appliances India Limited, Applicomp (India) Limited, Electroworld Digital Solutions Limited, Techno Kart India Limited, Century Appliances Limited, Techno Electronics Limited, PE Electronics Limited, CE India Limited and Sky Appliances Limited; (collectively referred to as the "Corporate Debtors" / "Videocon Group Entities") and (ii) appointing Mr. Mahender Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the Consolidated Committee of Creditors of the Corporate Debtors (CoC) was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the Resolution Professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Khandelwal. Mr. Abhijit Guhathakurta's appointment as the Resolution Professional of the Videocon Group Entities ("Resolution Professional" / "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority. On and from the date of publication of

the aforesaid order, the powers of the board of directors of the Corporate Debtor stand vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the NCLT Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the NCLT Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order").

Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Consolidated Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

It is also understood that the Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code, seeking co-operation from promoters and erstwhile management of the company for providing various data, primarily pertaining to pre-CIRP period and certain additional data that is required for preparing the Financial Statements. The requested data is still not made available to the Resolution Professional / Company. Hence, in the absence of detailed books of accounts of earlier years, including ledger copies / supporting documents as required to be maintained under the provisions of section 128 of Companies Act, 2013, the Financial Statements have been prepared by the Group Resources on the basis of available data on best effort basis.

Outcome of the CIRP process is still pending thus no accounting impact in the books of accounts has been made in respect

of excess, short, or non-receipts of claims for financial creditors, operational creditors, employees and other creditor. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.

Further, the Company is contingently liable in respect of the borrowings of other Obligors/Borrowers to the extent of outstanding balance of Rupee Term Loans as on March 31, 2023 of INR 49,173.91 million (As at March 31, 2021 INR 49,173.91 million). As such, consequential impact if any is currently unascertainable and we are unable on possible financial impact of the same. Further, as mentioned under Note No. 18 and 39 since the commencement of CIRP, there is a Moratorium in terms of section 14 of the Code towards repayment of existing debts and interest thereon. However, pending the completion / final outcome of CIRP, the Company has continued to provide for the interest for full financial year, including the moratorium period. Payment towards such interest expenses are subject to the provisions of the Code and outcome of CIRP. However, we have not received supporting documents for such borrowings, including relevant sanction letters and other relevant documents. As such, we are unable to confirm whether the Borrowings of INR 519,457.13 million (2022: INR 446,890.87 million) as reported under Note No-18 and 39 provide an accurate status and whether the basis for interest charged in statement of profit and loss account is in accordance with Ind AS-23 "Borrowing Cost".

- 13) With respect to Note Nos-41 (on SCN received from DRI) and 42 (on disclosures pertaining to MSMEs), we have not been provided any documents/ records. We are therefore unable to comment upon these.
- 14) With respect to Note No-45, we are unable to ascertain if the reported details provide a complete and accurate breakup of segmental reporting in accordance with Ind AS- 108 "Operating Segments".
- 15) The company has not produced any documents/ information/ relating to Grant form ozone Project (as set out in Note No-46 of Financial Statements with a carrying value of INR 31.86 million as at 31st March, 2023). As such, we are unable to ascertain impact of the same in Financial Statements at this stage.
- 16) During the conduct of audit, we have also been informed that the balance confirmations are not available in respect of the balances of loans and advances, trade receivables, trade payables, and other receivables and payables. As such, we are unable to ascertain impact on Financial Statements. However, in case of balance with banks, (INR 64.85 million), we have been provided most of the copies of bank statements (subject to their reconciliations).
- 17) According to the details made available to us and on the basis of filings made on the GST portal, the company has defaulted / made delayed filings pertaining to the annual compliances of Goods and Service Tax (GST) along with the compliances of Income Tax Act, as applicable during the year. As such, we are unable to comment upon the future liability and/or any other financial impact that may arise on the Company.
- 18) We also draw your attention to Note No-62 to the Financial Statements. The Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the company, for providing various data, primarily pertaining to pre-CIRP period and certain additional data that is required for preparing Financial Statements and data requested by various investigating agencies. In the absence of relevant data, the financials have been prepared on the basis of available data on best effort basis.

Further, other deviations from the requirements of Companies Act, 2013 and Indian Accounting Standards have also been highlighted in this report. As such, the Company has not followed all of the standard accounting policies as prescribed in Note-1 to the Financial Statements on various matters and the Financial Statements have not been prepared in strict compliance with the requirements of relevant sections of the Companies Act, 2013 and Ind AS along with other rules and regulations. The overall financial impact, if any, is unascertainable.

We also draw your attention to Note no-56 and 57 of the Financial Statements, wherein it is mentioned that an independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into commencement of CIRP. And further, there are ongoing investigations against Videocon Group Entities by different government agencies, including SFIO and Directorate of Enforcement. In this regard, we have not been provided any copy of notice/ report/information/documents on such Transaction Review Audit and ongoing investigations. Hence, we are unable to comment on necessary changes that may be required in the Financial Statements at this stage.

The Company has mentioned in Note 60 of the Financial Statements that, considering the Company is required to be run as a going concern under CIRP, the Financial Statements have been prepared on going concern basis. However, we found Material uncertainty relating to Going Concern assumption applied to the Financial Statements. The Company has been referred to National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016, there is considerable decline in level of operations of the Company, and net worth of the Company reported at INR (257,664.81) Million as on the reporting date is negative and it continues to incur losses. The Company is a co-obligor and has received demand notices in respect of borrowings of other co-obligors/borrowers. Thus, there exists a material uncertainty about the ability of the Company to continue as a "Going Concern". The same is dependent upon the outcome of SC Appeals and /or any other developments on the resolution process of Videocon Group Entities. The appropriateness of the preparation of Financial Statements on going concern basis is critically dependent upon CIRP as specified in the Code. Necessary adjustments required on the carrying amount of assets and liabilities are not ascertainable. Further we are unable to comment on the remarks / explanation provided by the Company under Note No. 52 to the Financial Statements in relation to the Analytical Ratios.

For the matters mentioned in para no (1) to (19) above, we are unable to determine the adjustments that are necessary in respect of Company's assets, liabilities as on Balance sheet date, income and expenses for the year, cash flow statement and related presentation and disclosures in Financial Statements so we disclaim to form any opinion on the Financial Statements.

We further inform that we were appointed as the Statutory Auditor of the Company only on June 27, 2022 for conducting Statutory Audit from FY 2019-20. For the matters stated in the "Basis for Disclaimer of Opinion paragraph above", we are not cognizant of matters that pertain to/transpired in earlier financial years (i.e. prior to FY 19-20) and hence cannot be implicated in ongoing proceedings for matters contained herein, which relate to earlier financial years.

We have audited the internal financial controls over financial reporting of **Videocon Industries Limited** ('the Company') as of March 31, 2023 in conjunction with our audit of the standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of internal financial controls over financial reporting issued by The Institute of Chartered Accountants of India (ICAI). Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining understanding of internal financial controls over financial reporting and assessing the risk that material weaknesses exist, the and testing and evaluating the design and operating effectiveness of internal control based on Assessed risk. The procedures depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, due to fraud or error.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management oversight of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim Financial Statements will not be prevented or detected on a timely basis.

For and behalf of the Company

Notes to financial statements for the year ended 31st March, 2023 (Contd.)

Note 1

Significant accounting policies

1.1 Reporting entity

Videocon Industries Limited is a company domiciled in India, with its registered office situated at 14 KM Stone, Village Chittegaon, Taluka Paithan - Aurangabad, Maharashtra 433105. The Company has been incorporated under the provisions of Indian Companies Act. The entity is primarily involved in manufacturing and trading of consumer durables and extraction of crude oil and natural gas.

1.2 Basis of preparation

A. Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act, subject to the necessary clarifications explained elsewhere in other Notes to the Accounts.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the entity's functional currency. All amounts have been rounded off to the nearest millions unless otherwise indicated.

C. Basis of measurement

The financial statements have been prepared on historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments);
- Net defined benefit (asset) / liability fair value of plan assets less present value of defined benefit obligations.
 Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

D. Key estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

Useful lives of property, plant and equipment and intangible assets.

Assumptions and estimation uncertainities

Recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;

Measurement of defined benefit obligations: key actuarial assumptions;

Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

Fair value of financial assets and liabilities and investments.

E. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for both financial and non-financial instruments.

The Company has an established control framework with respect to the measurement of fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. The management regularly reviews significant unobservable inputs and valuation adjustments.

If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information on recognition of assets at fair value, if any, is covered in relevant notes.

Notes to financial statements for the year ended 31st March, 2023 (Contd.)

Note 1 (Contd.)

Significant accounting policies (Contd.)

F. Current and non-current classification

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current.

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the Balance Sheet date; or
- d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the Balance Sheet date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in, the entity's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the Balance Sheet date; or
- the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the Balance Sheet date.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

1.3 Significant accounting policies

A. Financial assets

i) Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

ii) Classification and subsequent measurement

Financial assets are subsequently classified and measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Management determines the classification of its financial assets at the time of initial recognition or, where applicable, at the time of reclassification. Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

- iii) Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the Company's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.
 - a) Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
 - b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognision, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'Other Income' in the Statement of Profit and Loss.
 - c) Measured at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'Other Income' in the Statement of Profit and Loss. In addition, the Company may, at initial recognition, irrevocably designate a debt instrument, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').
 - d) Financial Instruments having termination rights are to be measured at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments.

X

Notes to financial statements for the year ended 31st March, 2023 (Contd.)

Note 1 (Contd.)

Significant accounting policies (Contd.)

iv) Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

v) Trade Receivables

Trade receivables are initially recognised at fair value. Subsequently, it recognises impairment loss allowance based on lifetime expected credit losses at each reporting date, right from its initial recognition. Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits and expectations about future cash flows. The impairment losses and reversals are recognised in the Statement of Profit and Loss.

vi) Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset and associated liability for any amounts it may have to pay.

vii) Impairment of Financial Asset

Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits, security deposit collected etc. and expectations about future cash flows.

The Fixed Assets or a group of assets (cash generating unit) are reviewed for impairment at each Balance Sheet date. In case of any such indication, the recoverable amount of these assets or group of assets is determined, and if such recoverable amount of the asset or cash generating unit to which the asset belongs is less than it's carrying amount, the impairment loss is recognised by writing down such assets to their recoverable amount. An impairment loss is reversed if there is change in the recoverable amount and such loss either no longer exists or has decreased.

B. Financial liabilities

i) Initial recognition, measurement and classification

Financial liabilities are classified as either held at a) fair value through profit or loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification. The classification is done in accordance with the substance of the contractual arrangement and the definition of a financial liability and an equity instruments.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities at amortised cost includes loan and borrowings, interest accrued but not due on borrowings, trade and other payables. Such financial liabilities are recognised initially at fair value minus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest method.

ii) Finar Financial guarantee contracts

The Company has elected to account all its financial guarantee contracts as financial instruments as specified in Ind AS 109 on Financial Instruments. C. Property, Plant and Equipment

i) Recognition and measurement

Items of property, plant and equipment (PPE) are measured at original cost of acquisition, net of tax / duty credit availed less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. If significant parts of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-inprogress". Capital work in progress is carried at cost, comprising of direct cost, attributable interest and related incidental expenditure.

Advances paid towards the acquisition of PPE outstanding at each reporting date are classified as capital advances under Other Non-Current Assets.

PPE are eliminated from financial statement on disposal and gains or losses arising from disposal are recognised in the statement of Profit and Loss in the year of occurrence.

D. Intangible assets

i) Recognition and measurement

Intangible assets are recognised when it is probable that future economic benefits that are attributable to concerned assets will flow to the Company and the cost of the assets can be measured reliably.

Intangible assets are initially measured at cost and are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

iii) Amortisation

Intangible assets are amortised using the straight-line method over a period of five years.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

iv) Expenditure on research and development

Revenue expenditure pertaining to research and development is charged to revenue under the respective heads of account in the period in which it is incurred. Capital expenditure, if any, on research and development is shown as an addition to fixed assets under the respective heads.

E. Joint Ventures for Oil and Gas Fields

In respect of unincorporated joint ventures in the nature of Production Sharing Contracts (PSC) entered into by the Company for oil and gas exploration and production activities, the Company's share in the assets and liabilities as well as income and expenditure of Joint Venture Operations are accounted for, according to the Participating Interest of the Company as per the PSC and the Joint Operating Agreements on a line-by-line basis in the Company's Financial Statements. In respect of joint ventures in the form of incorporated jointly controlled entities, the investment in such joint venture is treated as long term investment and carried at FVOCI.

F. Exploration, Development Costs and Producing Properties

Pre-acquisition costs:

Expenditure incurred before obtaining the right(s) to explore, develop and produce oil and gas are expensed as and when incurred.

Exploration stage

Acquisition cost relating to projects under exploration are initially accounted as "Intangible assets under development". The expenses on oil and gas assets that is classified as intangible include:

- · acquired rights to explore
- · exploratory drilling costs

Cost of Survey and prospecting activities conducted in the search of oil and gas are expensed as exploration cost in the year in which these are incurred If the project is not viable based upon technical feasibility and commercial viability study, then all costs relating to Exploratory Wells is expensed in the year when determined to be dry. If the project is proved to be viable, then all costs relating to drilling of Exploratory Wells shall be continued to be presented as "intangible Assets under Development".

Development stage:

Acquisition cost relating to projects under development stage are presented as "Capital work-in-progress".

G. Abandonment Costs

Liability for abandonment costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognised in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

Note 1

Significant accounting policies

H. Investments in Subsidiaries, Associates and Joint Ventures:

Investments in subsidiaries, associates and joint ventures are carried at FVOCI. With effect from 01st Apr 2019, The amended Ind AS 109 is applicable to the company, requiring the company to apply Ind AS 28 to long term interests in associates and joint ventures that form part of net investment in associate and joint venture but to which equity method is not applied.

I. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is determined using the weighted average method.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

J. Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

K. Revenue

Effective April 1, 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. April 1, 2018.

a) Sale of goods

Revenue from sale of goods is recognised when significant risks and rewards of ownership in the goods are transferred to the buyer. The Company recognizes revenues on the sale of products, net of returns, discounts, sales incentives/rebate, amounts collected on behalf of third parties (such as sales tax) and payments or other consideration given to the customer that has impacted the pricing of the transaction.

b) Insurance, Duty Drawback and other claims are accounted for as and when admitted by the appropriate authorities.

L. Recognition of dividend income, interest income or expense

Dividend income from investments is recognised in profit and loss on the date on which the Company's right to receive payment is established.

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options). The expected credit losses are considered if the credit risk on that financial instrument has increased significantly since initial recognition.

M. Foreign currency transactions

Transactions and balances

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences are recognised in profit or loss.

N. Employee benefits

i) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

Notes to financial statements for the year ended 31st March, 2023 (Contd.)

Note 1

Significant accounting policies

ii) Provident Fund - Defined Contribution Plan

The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

iii) Gratuity - Defined Benefit Plan

The Company provides for gratuity to all the eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, on death while in employment, or termination of employment for an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs on completion of five years of service.

Liability in respect of gratuity is determined using the projected unit credit method with actuarial valuations as on the Balance Sheet date and gains/losses are recognised immediately in the Other Comprehensive Income. Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iv) Leave Encashment

Liability in respect of leave encashment is determined using the projected unit credit method with actuarial valuations as on the Balance Sheet date and gains/losses are recognised immediately in the Statement of Profit and Loss.

O. Provisions (other than for employee benefits)

i) Provisions are recognized when the Company has a present obligation as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. The expenses relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

ii) Warranties

Provision for the estimated liability in respect of warranty on sale of consumer electronics and home appliances products is made in the year in which the revenues are recognised, based on technical evaluation and past experience. Warranty provision is accounted as current and non current provision. Non current provision is discounted to its present value and the subsequent unwinging effect is passed through Profit and Loss account under Finance Cost.

P. Contingent liabilities and contingent assets

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

Disputed demands in respect of Custom duty, Income tax, Sales tax and Others are disclosed as contingent liabilities. Payment in respect of such demands, if any, is shown as an advance, till the final outcome of the matter.

Contingent assets are not recognised in the financial statements.

Q. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. In determining whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease date if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in the arrangement.

Operating Leases :

Where the company is the lessee:

Leases in which a significant portion of the risk and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payment made under operating leases (net of any incentives received from the lessor) are charged to statement of Profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Where the company is the lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

R. Income Tax

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

i) Current Tax

Current tax is the amount of tax payable (recoverable) in respect of the taxable profit / (tax loss) for the year determined in accordance with the provisions of the Income-tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expenses that are taxable or deductible in other years & items that are never taxable or deductible. Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Notes to financial statements for the year ended 31st March, 2023 (Contd.)

Note 1

Significant accounting policies

Minimum Alternative Tax (MAT) under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

ii) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss; and
- indexation benefit in relation to investments in subsidiaries, given that the Company does not have any intentions to dispose such investments in the foreseeable future,

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Taxes relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the Statement of Profit and Loss.

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

S. Borrowing Costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of a qualifying asset which necessarily take a substantial period of time to get ready for their intended use or sale are capitalised as part of the cost of that asset until such time as the assets are substantially ready for their intended use or sale. Other borrowing costs are recognised as an expense in the period in which they are incurred. Borrowing costs related to specific borrowings that remain outstanding after the related qualifying asset is ready for intended use or sale should subsequently be considered as part of general borrowing costs of an entity. Other borrowing costs are recognised as an expense in the period in which they are incurred.

T. Translation of the financial statements of foreign branch

- i) Revenue items are translated at average rates.
- Opening and closing inventories are translated at the rate prevalent at the commencement and close of the accounting year, respectively.
- iii) Fixed assets are translated at the exchange rate as on the date of the transaction. Depreciation on fixed assets is translated at the rates used for translation of the value of the assets to which it relates.
- Other current assets and current liabilities are translated at the closing rate.

U. Government Grant

Grants are recognised when there is reasonable assurance that the grant will be received and conditions attached to them are complied with. Grants related to depreciable assets are treated as deferred income, which is recognised in the Statement of Profit and Loss over the period of useful life of the assets and in the proportions in which depreciation on related assets is charged.

V. Premium on Redemption of Bonds/Debentures

Premium on Redemption of Bonds/Debentures are written off to Securities Premium Account.

W. Share Issue Expenses

Share issue expenses are written off to Securities Premium Account.

X. Earnings per share

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. The Company has no potentially dilutive equity shares.

Y. Excise and Custom Duty

Excise Duty in respect of finished goods lying in the factory premises and Custom Duty on goods lying in custom bonded warehouse are provided for and included in the valuation of inventory.

Z. Goods and Service Tax

Goods and Service Tax benefit is accounted for by reducing the purchase cost of the materials/fixed assets/services.

AA. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, bank balances and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

AB. Prior Period Items

Prior period items are included in the respective heads of accounts and material items are disclosed by way of Notes to Financial Statements.

Earnings per share (EPS)

Basic EPS calculated by dividing the Net profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting profit impact of dilutive potential equity shares, if any) by the aggregate of weighted average number of Equity shares outstanding during the year and the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

Note 53

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited ("Corporate Debtor") / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies namely, Value Industries Limited, Videocon Telecommunications Limited, Evans Fraser & Co. (India) Limited, Millennium Appliances India Limited, Applicomp (India) Limited, Electroworld Digital Solutions Limited, Techno Kart India Limited, Century Appliances Limited, Techno Electronics Limited, PE Electronics Limited, and Sky Appliances Limited, collectively referred to as the "Corporate Debtors" / "Videocon Group Entities" and (ii) appointing Mr. Mahender Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the Consolidated Committee of Creditors of the Corporate Debtors (CoC) was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the Resolution Professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Khandelwal. Mr. Abhijit Guhathakurta's appointment as the Resolution Professional of the Videocon Group Entities ("Resolution Professional / RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stand vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 25.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the NCLT Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the NCLT Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Consolidated Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

B) Transactions with Related Parties during the year:

Pursuant to the provisions of Section 28 of the Code, the Company can enter into transactions with related parties (as defined under the provisions of the Code) during CIRP period only after the approval of the Committee of Creditors ("CoC").

During the year under consideration, the RP had after his assumption of office taken requisite approvals from the CoC, wherever required, for entering into transactions with related parties as defined under section 5(24)(j) the Code,

Further, since Videocon Group Entities are under a group insolvency, for enhancement of value of the Videocon Group Entities as a whole, it was agreed in the 3rd consolidated CoC by all CoC members that the funds of Videocon Industries Limited (VIL) should be used for meeting shortfall in the fixed costs of the other 12 companies (including the Company) under consolidated CIRP as well as for meeting operational gap for productive business activities. The members of CoC had unanimously authorized the RP to utilize funds of VIL on a need-based basis for meeting the shortfall in fixed costs of other 12 group companies (including the Company) and also for meeting any operational requirements for carrying out business / manufacturing activities in these companies with an overall objective to maintain going concern nature, ensure continued business operations and in order to maximize value of the assets of Videocon Group Entities. However, this should not be treated as the additional financing/borrowing(s) in terms of the provisions of the Companies Act, 2013.

There are no other related party transactions made by the Company post assumption of office of the resolution professional which may have potential conflict with the interest of the Company at large or which warrants the approval of the shareholders.

Considering the aforesaid background, the following transactions undertaken during the year have been reported as related party transactions:

- 1. Transactions between and amongst Videocon Group Entities after the assumption of office of the Resolution Professional
- 2. Transactions with certain other parties where approval of the CoC was taken (for entering into such transaction) after the assumption of office of the Resolution Professional pursuant to the requirements under section 28 of the Code.
- 3. Transactions with Directors and KMPs during the year.
- 1. Transactions entered by the Company with remaining Videocon Group Entities after the assumption of office of the Resolution Professional.

A

Notes to financial statements for the year ended March 31, 2023 (Contd.)

Note 55

The Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the company, for providing various data, Primarily pertaining to pre-CIRP period & certain additional data that is required for preparing financial statements, and data requested by various investigating agencies. In the absence of relevant data, these financial statements have now been prepared on the basis of available data on best effort basis. However, it is clarified that these financial statements are in agreement with the relevant books of accounts presently available/maintained by the company.

Note 56

An independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into before commencement of CIRP. In this regard, RP in compliance of his duties under the IBC has filed an application with NCLT to declare such transactions as void and be set aside. Adjustments, if any, for such transaction(s) may be made upon further directions from NCLT and/or upon any order being passed by NCLT.

Note 57

There are ongoing investigations against Videocon Group Entities by different government agencies, including SFIO and Directorate of Enforcement. Merely by affixation of signatures by RP on these financial statements, RP cannot be said to have any cognizance or knowledge of matters contained herein that pertain to the period prior to assumption of his office. RP is signing these financial statements, fully relying in good faith upon these financial statements as prepared by Group Resources. Accordingly, merely by affixation of signatures by RP on these financial statements in good faith, no proceedings can be initiated nor RP be implicated in ongoing proceedings for matters contained herein which relate to period prior to his incumbency.

Note 58

Since the Company is under CIRP and various Prospective Resolution Applicants ("PRAs") were conducting their independent due diligence for submitting a resolution plan, it was material to ensure that any change in books of the Corporate Debtor on account of revaluation of assets, impairment assessment, ascertainment of Fair Market Value of assets etc. does not provide any indicative pricing on the assets of the Corporate Debtor to the PRAs. Thus, in the interest of value maximization under CIRP for all stakeholders, certain assets like property plant and equipment, unquoted investments, loan & advances, inventories etc. have been recorded at their carrying values after relevant adjustments for actual transactions undertaken during the financial year. Also, no additional provision has been made on outstanding receivables.

Note 59

Pursuant to commencement of CIRP of the Company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors, operational creditors, employees and other creditors to the RP. The overall obligations and liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. Pending final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for financial, operational and other creditors.

Notes to financial statements for the year ended March 31, 2023 (Contd.)

Note 60

Considering the Company required to be run as a going concern under CIRP, the financial statements have been prepared on going concern basis.
